Deputy Grand Knights Report

By Frank Kessel

Our council has had a very busy fall season. We have helped with several service projects that I am proud that our members stepped up and helped with. Many Knights helped with some building improvements on the St. John Society house on Monroe Street. Some of the improvements they helped with: building a privacy wall, removing old wiring, removing/building cabinets, and installation of a gas range.

In October Brother Patrick Rausch organized a work crew to help Brother Knight Andrew Duncan and his wife Virginia to prepare their property for Sale. Thanks Brother Patrick!

Our brother Knights have also helped a couple different organizations with fundraisers this fall. A small but efficient crew helped the Father Taeffe Foundation sell Brats at Oktober fest. In addition our council helped with the Stand-Up girl Dance/Fundraiser for the second year in a row.

It is now the time of the year that we have a few fundraisers to help support more service projects and activities. We will once again be selling raffle tickets and they should be going out in the near future. In addition we acquired a couple of cases of Christmas Cards that we are selling. We will be selling them at the Christmas Bazaar on the weekend of the 8/9th and will sell any that are left after masses in the following weeks. At the same time we still have a few keep Christ in Christmas signs left from previous years.

On the topic of fundraising, the officers have been brainstorming other fundraising ideas. If you have any, please let an officer know.

Also, the Christmas Holidays are fast approaching and we are in the need of someone to chair the Christmas Party/Social. If you are interested either come to the November Meeting to sign up or let Matthew Rocha, our program coordinator know (therochas@catholic.org).

I am also looking for anyone who is willing to contribute regular content/articles that relate to KC business.

Although I have beaten this horse to death, I want to remind everyone that you can get an electronic copy of

the courier instead of a paper copy. This cuts down on our printing/mailling costs. We currently have around 40 members receiving the courier by email. This saves the council approximately \$150 per year.

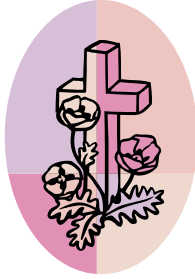

In addition to printing the Council's calendar of events in the courier, we also have it available at our website <http://kofc1785.org/members/calendar.htm> Here you will find a web viewable version, a pdf version (which works well for printing) and an ical version. If you maintain your own electronic calendar on your local computer, you can use the ical version to automatically get our council calendar and it's updates. If you have any problems accessing it or our website, please let me know.

Also, remember that it is election time! Don't forget to return your ballots by Nov 4th.

Financial Secretaries Report

Brothers,

On Sun Nov 9th we will be having our annual memorial mass at the 7 am morning mass. I know that that is early of some, but this happens only once a year. so Please make an effort to attend this mass. This year the Catholic Daughter's will be joining us for their memorial also. We will also be going out to a no host breakfast after mass at Tommy's 4th St Bar and Grill on 4th and Adams by the Town House Motel. We will be set up in the basement and will be ordering off of the menu. RSVP will be required so let me know ASAP. Either call me at 753-2934 or e-mail at dicpardi@hotmail.com. Our list of names to read is getting pretty long so this year and along with the CDA list we will be going back to the last 10 to 15 years. Hope that this will not offend anybody but it is something that we must do. We will always remember all of our deceased brother Knights.

Our Christmas cards will be selling in the upper social hall after the 9am mass at coffee and donuts. We only have 1 case of cards left which is about 75 cards. I still have some Council shirts for sale for anyone who wants one at \$18.00.

As always keep me up on any changes that you might have. Thanks for everything that you do for this council. Even if you cannot attend meetings your dues are very important and your help at the different events are also very important. This is and will always be the best council in the State because of you. Any questions let me know.

Viva Jesus!

Insurance Corner

By Jim Walton

For this month's column, I thought a little "Life Insurance 101" might be beneficial.

The most basic plan of permanent life insurance protection - whole life insurance - calls for premiums to be paid for your entire life, or to age 100. You may also consider another permanent life insurance product – one with guaranteed cash values – that offers a limited period of premium payments. The Knights of Columbus offers three permanent life insurance products for which premiums do not have to be paid for all of life.

"Twenty Pay Life" is exactly as the name suggests – a permanent plan with premiums payable for 20 years. After the premiums are paid for the 20 years, the plan is "paid up" and no more premiums are due. Unlike its term counterpart, however, the plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

Another such plan is our "Life Paid Up at 65." With this permanent product you pay premiums until you reach age 65. Then, premiums stop (just in time for retirement), but the plan remains very much in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance – permanent life insurance – and only paying one single premium? It's possible.

I have detailed information on all of these products. At your convenience, I'll meet with you and your wife to perform a free, custom-tailored needs analysis, to help determine which of our many life insurance products is right for you and your family.

Call me – let's talk.
